### CERN Document Server (physics)

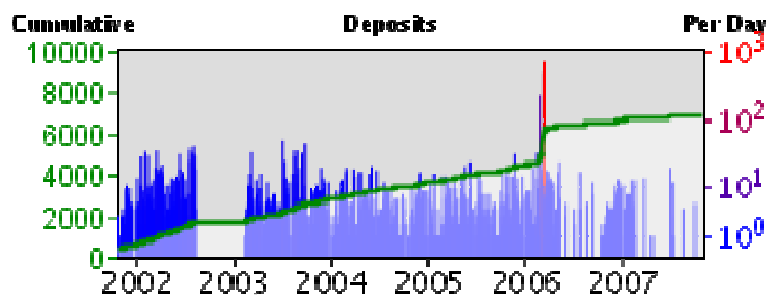

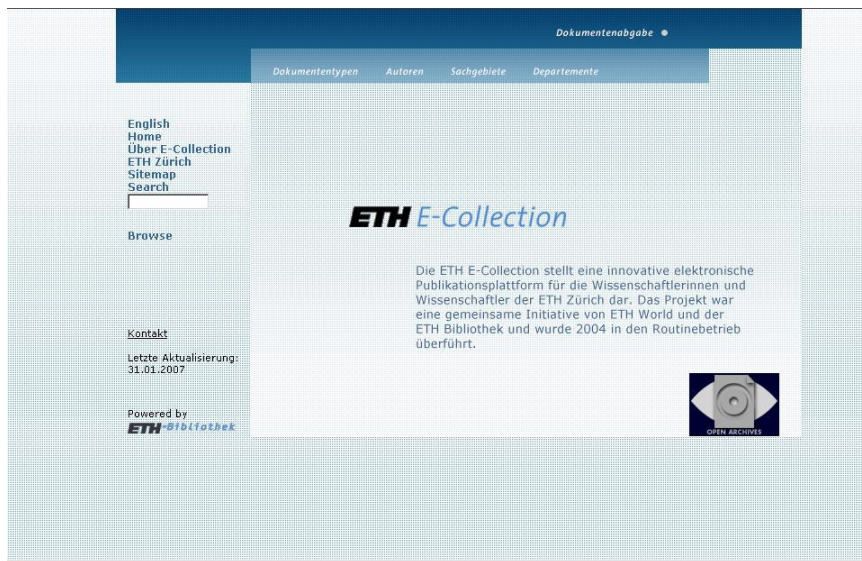

- Running CDSWare, based in Switzerland and is registered as Research Institutional or Departmental
- Registered on 2004-01-20
- Cumulative deposits: 82203 total
- Daily deposits in last year: 47 days of 1-9, 21 days of 10-99, 4 days of 100+
- 100% freely accessible fulltext (\* estimate)

The screenshot shows the CERN Document Server (CDS) website. At the top, there is a navigation bar with links for Search, Submit, Convert, Agenda, Webcast, Bulletin, and Library. Below this, the main heading reads "CERN Document Server" followed by a brief description: "Over 800,000 bibliographic records, including 360,000 fulltext documents, of interest to people working in particle physics and related areas. Covers preprints, articles, books, journals, photographs, and much more." A search bar is present with a dropdown menu set to "any field" and buttons for "Search" and "Browse". Below the search bar, there are two columns of filters. The left column, "Narrow by collection:", includes categories like "Articles & Preprints", "Books & Proceedings", "Presentations & Talks", "Periodicals & Progress Reports", and "Multimedia & Outreach". The right column, "Focus on:", includes categories like "CERN Articles & Preprints", "CERN Published Articles", "CERN Reports", "CERN Series", "CERN Yellow Reports", "CERN Departments", "Accelerator Technology", "Human Resources", "CERN Experiments", and "CERN R&D Projects".
